2020 – 2021	Higher Secondary Education (XII) <i>Shri Nigmanand Vidyalay Nimgaon Mayamba</i> 89.50%
2018 – 2019	Secondary Education (X) <i>Shri Nigmanand vidyalay Nimgaon Mayamba</i> 82.40%

Skills

Programming Languages: Java (Core, OOP), JavaScript, SQL	Backend: Node.js, Express.js, REST API Development, JWT Authentication, MVC Architecture
Frontend: React.js (Hooks, Router, Bootstrap, Responsive UI), HTML, CSS	Database: MySQL (Joins, Triggers, Stored Procedures, Indexing), DBMS
Testing: API Testing (Postman), Debugging & Error Handling	Concepts: Object-Oriented Programming (OOP), Data Structures & Algorithms, Agile Methodology

Languages

- Marathi | Hindi | English

Experience / Projects

Online Job Portal (Quick Start Career)

- Tech Stack: React.js, Node.js, Express.js, MySQL, JWT, REST API
- Developed a full-stack web application connecting **Job Seekers, HRs, and Admins** with secure **JWT authentication**.
 - Designed and implemented **RESTful APIs** for job posting, application management, and role-based dashboards.
 - Built an interactive **React.js frontend** with Axios, React Router, and Toastify; managed relational data using **MySQL**.
 - **Improved recruitment efficiency** by enabling HRs to post and manage jobs digitally, reducing manual effort.
 - **Enhanced user engagement** by providing Job Seekers with real-time application tracking and status updates.

Department & Employee Management System

GitHub: <https://github.com/SaurabhTilak05/NodeJS/tree/master/EmplDeptMiniProject>

Developed a full-stack CRUD web application to manage departments and employees using Node.js, Express.js, MySQL and EJS.

- Built features for Add, View, Update & Delete employees
- Implemented department-wise categorization & live search with AJAX
- Automated workflows, improving the efficiency of employee management
